Sais-tu si JM viendra au bureau demain ?	Do you know if JM will come to the office tomorrow?

Le Futur Antérieur

This future perfect tense is used to express a future action **that will be completed before another future action or before a specific time in the future.** It can also be called the past of the future.

Subject + auxiliary verb in simple future + past participle of the main verb
Translated as - will have + past participle - will have spoken/taken/slept

Usages

It is used to describe an action that will take place and be completed before another future action or within a certain future timeline.

Français	English
Elle aura fini de préparer le dîner quand j'arriverai.	She will have finished making dinner when I arrive.

Future Perfect with d'ici - Deadline

In order to express a "deadline", a point in time by which an action will have been completed, you use the following expression:

by + [point in time] = d'ici + [moment dans le temps]

Français	English
JM aura rencontré une Française d'ici ce jour le mois prochain.	JM will have met a French woman by this day next month.

Future Perfect with d'ici - DURATION

d'ici + [durée] = by/within + duration

Français	English
Vu la quantité de travail, je serai mort d'ici une semaine.	Given the amount of work, I will have been dead within a week.

Le Conditionnel Présent

For **er** and **ir** ending verbs there are no changes in the infinitive form. In the **re** ending verbs, we drop **"e"** from the infinitive and add the **imparfait endings.**

Future simple stem + imparfait endings (ais, ais, ait, ions, iez, aient).

Je mangerais - I would eat
Tu mangerais - You would eat
Il/Elle/On mangerait - He/she/us would eat
Nous mangerions - We would eat
Vous mangeriez - You (all) would eat
Ils/Elles mangeaient - They would eat

Usage

To talk about an action that could happen, a wish/desire, a request, with si clauses, and to express could/would/should.

Français	English

Le Conditionnel Passé

To talk about some event which would have happened under certain circumstances or conditions. It's a compound tense. It translates to: would have + some action

Formation
Conditional present of the helping verb (être or avoir) + the past participle of the verb.

Usage

The past conditional is used to describe what would have taken place under certain circumstances, to express regrets or to express something that could have happened/been.

Français	English
Dans ce cas, je serais venu à ton enterrement.	In that case, I would have come to your funeral.
Si j'avais plus de temps, j'aurais pu compléter Édito B1.	If I had more time, I could have completed Édito B1.

J'aurais pu voler plus de cocaïne, mais PBJ était tout près.	I could have stolen more cocaine, but PBJ was nearby.

Possessive Pronouns

Possessive pronouns are used in place of nouns to indicate to whom or to what those nouns belong. They agree in gender and number with the noun they replace.

Français				English
Singular		**Plural**		
Masculine	Feminine	Masculine	Femine	
Le mien	La mienne	Les miens	Les miennes	mine
Le tien	La tienne	Les tiens	Les tiennes	yours
Le sien	La sienne	Les siens	Les siennes	His / hers
Le nôtre	La nôtre	Les nôtres	Les nôtres	ours
Le vôtre	La vôtre	Les vôtres	Les vôtres	yours
Le leur	La leur	Les leurs	Les leurs	theirs

We may use possessive pronouns with prepositions à and de, with aussi and non plus, and to answer questions.

Français	English
Je n'ai pas besoin de mes livres, as-tu besoin des tiens ?	I don't need my books, do you need yours?
Mes voisins sont gênants. - Les nôtres aussi.	My neighbours are annoying. - Ours too.

C'est à qui, cette valise ? - C'est à moi ! - C'est le mien !	Whom does this suitcase belong to? - It belongs to me! - It's mine!

Demonstrative Pronouns

They replace demonstrative adjective + noun and agree with the number and gender of the noun they replace. (Normally followed by a preposition or a nominal group)

Français	English
Celui	this / that one - masculine singular
Celle	this / that one - feminine singular
Ceux	these ones / those ones - masculine plural
Celles	these ones / those ones - feminine plural

Français	English
Il y a deux pulls. J'aime celui en laine.	There are two sweaters. I like the one in wool.
J'aime ma copine imaginaire. J'aime aussi celles de JM.	I love my imaginary girlfriend. I love those of JM's as well.
J'aime les tableaux de Vincent Van Gogh et ceux de Claude Monet.	I like the paintings of Vincent Van Gogh and those of Claude Monet.

Regular Comparatives

Français	English
plus...que	more...than
aussi...que	as...as
moins...que	less...than

Français	English
J'ai plus de cocaïne que toi.	I have more cocaine than you.
Je veux être aussi riche que PBJ.	I want to be as rich as PBJ.

Superlative of Adjectives

Français	English
Devinez qui est le plus grand imbécile du monde !	Guess who's the biggest imbecile in the world!
L'endroit le moins ennuyeux de toute la ville et ma maison.	The least boring place in the whole city is my house.

Irregular Comparatives and Superlatives

Adjective	Comparative	Superlative
bon, bonne	meilleur(s) / meilleure (s)	le, la, les meilleur(e)(s)(es) - Best
mauvais, mauvaise	pire, plus mauvais(e)(s)	Le pire - Worst le, la, les plus mauvais(e)(es)

Relative Pronouns

If the direct object is placed before the verb, the past participle agrees in gender and number with that direct object.

Que (whom - people, which/that - things)

Que as a relative pronoun is followed by subject
Que is used when antecedent acts as a direct object for the dependent clause.

Français	English
Les drogues **que** je vends appartiennent à PJ.	The drug I sell belongs to PBJ, but don't tell him that.
Ivana est la femme que j'aime le plus.	Ivana is the woman that I love the most.

Qui (who, which, that)

When **qui** is the subject of the dependent clause, the verb following qui agrees with the noun or pronoun that qui replaces. Qui as a relative pronoun is followed by a verb.

Français	English
J'ai un type pour les hommes qui sont bidimensionnel et morts.	I have a type for men who are two dimensional and dead.

C'est moi qui étais presque viré la semaine dernière.	It's me who was almost fired last week.

Où (where, when)

Here the antecedent acts as location or moment of time for the dependent clause.

Français	English
L'appartement où j'habite a sept étages.	The apartment where I live has seven floors.
Je ne peux pas oublier le jour où je suis presque morte.	I can't forget the day I almost died.

Dont - (of whom/of which) and Possession (whose)

It refers to **an indirect object** antecedent which follows the preposition **"de"**.
It can refer to both people and things.
It can also be used to express possession.

Français	English
Voilà le pronom relatif dont on parle.	That's the relative pronoun which we're talking of.
J'ai aidé une amie dont un œil était blessé.	I helped a kitten whose one eye was injured.

Lequel, Laquelle, Lesquels, Lesquelles (Which)

Français	English
Le moment pour lequel j'ai préparé est arrivé.	The moment for which I have prepared has arrived.
Les lunettes sur lesquelles j'ai marché sont complètement cassées !	The glasses on which I stepped are completely broken!

Indefinite Relative Pronouns

Ce que, ce qui, ce dont, ce à quoi

When there is no specific antecedent for the relative pronoun to refer to, ce is combined with the relative pronoun to form indefinite relative pronouns.

Ce qui, ce que, ce dont, ce à quoi -> What

They refer to indefinite things and not to persons. They do not have gender or number as they are indefinite (not defined).

Ce qui:
It is used as the indefinite subject of the dependent clause when the antecedent is not to be mentioned or left unspecified. Unlike “qui”, it does not refer to a person.

Français	English
Fais ce que tu veux.	Do what you want.
Personne ne sait ce qui a tué Jessica.	Nobody knows what killed Jessica.
Je ne comprends pas ce dont elle a peur.	I don’t know what she is scared of.
Je ne sais pas ce à quoi il pense.	I don’t know what he’s thinking about.

Present Participle

Participe présent (present participle) is formed by dropping the **-ons** ending from the present tense “nous form” and adding **-ant**.

Some present participles can be used as nouns.

Français	English	Français	English
un gagnant	a winner	une gagnante	a winner
un étudiant	a student	une étudiante	A student
un participant	a participant	une participante	a participant

As an ADJECTIVE

Many participes présents can be used as adjectives. When used as an adjective, the participe présent agrees with the noun it modifies.

Français	English
une idée intéressante	an interesting idea
des livres fascinants	fascinating books

As a VERB

The present participle as a verb can be used to talk about a cause and effect relationship, simultaneous actions, and to provide additional details.

Français	English
Étant écrivaine, j’ai l’habitude d’écrire plusieurs pages en un jour.	Being a writer, I’m used to writing multiple pages in a day.

L'hôtesse aide les passagers voyageant en classe affaires en premier.	The hostess helps the passengers travelling in the business class first.
Michael est arrivé tard, portant un costume très stupide.	Michael arrived late, wearing a very stupid suit.

The Gerund/ Le Gérondif

When the present participle is introduced by the preposition en, it is referred to as the gérondif (gerund). It is used to describe the relationship between two actions.

It can express simultaneity, manner, condition, or causality.
Gérondif can be translated using keywords: **by, while, upon**

With tout, the gérondif can be translated as "all the while"

Français	English
